

DANIEL J. CZABAJ

At Buxbaum Loggia, Daniel Czabaj is a Senior Consultant for casualty, property and accounting inspections with a concentration in technical underwriting and accounting.

Education: Worcester Polytechnic Institute, Worcester, MA
BS Actuarial Mathematics with distinction

Experience:

2023 – 2025 *Senior Account Executive – AON*

Managed a group of seven digital economy automobile clients. Responsibilities included working as liaison between carriers, brokers and clients; with internal staff to verify that invoices are accurate and paid; and with actuarial team to present actuarial analyses to clients.

2018 – 2023 *Director – Allstate Insurance, Shared Economy, Allstate Business Ins.*

Developed underwriting guidelines and built monthly metrics for monitoring accounts. Analyzed over 200 submissions covering ridesharing, carsharing, delivery, rental cars, home sharing and other asset sharing involving Auto, GL and Inland Marine. Worked closely with other areas of responsibility including actuarial, claims, legal, filings, finance, telematics and operations.

2016 – 2018 *Program Manager – Rockhill Insurance*

Oversaw nine admitted and non-admitted programs (commercial auto, trucking, homeowners, repossession, habitational, small commercial). Responsibilities included relationship management, referral approval, premium planning, underwriting guidelines and auditing. Used actuarial skills to improve commercial auto book through implementation of telematics, predictive modeling and auditing.

2014 – 2016 *Chief Program Officer – Hannover Re/Glencar*

Managed a team of six program managers and underwriters responsible for 16 admitted and non-admitted programs. Responsible for the profitability, planning, auditing and stewardship process of programs and due diligence of new programs.

2003 – 2014 *Senior Vice President, Actuary – QBE/Praetorian/ICH*

Responsible for rate indications, reserve analyses, rate monitoring, planning, forecasting and profit commission calculations. Managed a team of 19 actuaries responsible for the Program and Regional divisions within QBE North America.

Industry Activities:

Fellow of the Casualty Actuarial Society, 1991
Member of the American Academy of Actuaries, 1989
Certified Programs Leader, Target Markets Association, 2015
