

PAUL J. McGEE

At Buxbaum Loggia, Paul McGee is a Team Leader for casualty and property inspections. His responsibilities include underwriting compliance reviews, contract interpretation and expert testimony.

Education: Boston College, MA – A.B. Degree in Economics
Harvard Law School, MA – Graduate, Program on Negotiation

Chartered Property and Casualty Underwriter (CPCU),
Former National Director and Chairman, Reinsurance Section
Designated ARe (Associate in Reinsurance), 1991
Certified Arbitrator, ARIAS U.S.

Experience:

1995 – 2004 *Vice President – Horizon Management Group/The Hartford*

Responsibilities included overseeing the scheduling and conduct of on-site audits of ceding companies and providing expert counseling and assistance to claims, accounting and legal personnel in the conduct of daily affairs. Worked closely with Counsel to provide expert positions on matters in dispute through arbitration or litigation. Conducted reinsurance educational programs for employees in Hartford and Boston.

1991 – 1995 *President – Tremont Reinsurance Management Co., Inc.*

Provided reinsurance consulting services to companies and regulators. This included reinsurance audits, contract review, reinsurance placement advice and regulatory related examinations.

1982 – 1991 *President – Paul J. McGee Associates, Inc.*

As senior person, was responsible for all aspects of a Treaty and Facultative Underwriting management company. This included oversight of production, underwriting, accounting, claims handling, and negotiation and placement of ceded reinsurance, arising from a book of both domestic and international business, produced through intermediaries.

1975 – 1982 *Senior Vice President – Boston Reinsurance Corp.*

Corporate responsibilities were for the production and underwriting of both domestic and international Treaty Reinsurance placed through intermediaries. This also included the negotiation and placement of Ceded Reinsurance.

1958 – 1975 *Commercial Union Insurance Co. (One Beacon)*

Began as an Underwriting Trainee and progressed through the various ranks as a regional office underwriter. Promoted to Underwriting Manager in the home office in 1963. Duties included the production and underwriting of Treaty Reinsurance business through intermediaries.
